

Promote Environmental Awareness
With These Recycled Glass Products.
Use Our Products For:

GREEN GLOBES

What In The World
Can We Do For You?

Trade show give-aways, educational awards or programs for schools, Earth Day or other "Green" events, waste management or recycling program gifts for governmental agencies, NGO premiums, motivating employees, launching a new product, inspiring caring for the World, expressing a World of thanks and showing appreciation.

For "The Ultimate Business Card", souvenir, corporate gift or promotion, put your name, message, logo, web address or souvenir location on the Globe with geographically accurate placement. We can imprint your exact location with a dot and arrow pointing to it!
